

# 22" 30 ASTM D 226-05 "Authentic" Asphalt Saturated Organic Felt

A **GREEN** Roofing Product

**GMC 22" 30 ASTM D 226-05 TYPE II Premium Shake Felt** is an industry leading, superior quality "authentic" asphalt saturated organic felt underlayment. Manufactured to the highest specifications.

## Certifications

Manufactured to comply with:  
ASTM D 226-05 Type II  
UL specifications for prepared roofing accessory

## USES

**GMC 22" 30 ASTM D 226-05 TYPE II Premium Shake Felt** is an authentic asphalt saturated organic underlayment. This innovative product was developed to provide a two layer 100Sq. Ft. coverage area in a single application. Ideal for use with both natural and artificial shake roofing systems. Install **GMC 22" 30 ASTM D 226-05 TYPE II Premium Shake Felt** the same as 18" shake felt, the additional width of the roll will provide the second layer for premium protection.

## Features and Benefits

- **Reliable** Proven technology, successful on millions of structures for over a century.
- **Compatible** Approved and recommended for use with natural wood and artificial shake and shingle roofing systems.
- **Versatile** Manufactured to perform in all climate conditions and all types of structures.
- **Easy to apply** Install **GMC 22" 30 ASTM D 226-05 TYPE II Premium Shake Felt** the same as 18" shake felt, the additional width of the roll will provide the second layer for premium protection.
- **Cost effective** Labor savings, 2 ply protection in a single application. Convenient roll size, 1 roll equals 1 square coverage.
- **Recognized** #1 choice of roofing professionals and trade organizations.
- **Required** Specified for use by architects, building code officials and primary roofing manufacturers.  
**(Note: approved underlayment required to validate warranty on most all roofing systems.)**
- **Permeable** Breathable membrane to help prevent dry rot, mold and other structural damages.
- **Walk-able** Natural non skid surface ideal for steep slope roofing.
- **Durable** Manufactured to prolong the life of both natural wood and artificial shake roofing systems.
- **Eco-friendly** **Organic** dry felt is made from **100% post consumer recycled material** and domestic asphalt from a local source. Note: (Leed points may be available)
- **USA Owned and Operated** Jobs for local residents, good for the economy. GMC is a proud supporter of several national and local charities.
