

# ABUSE RESISTANT FINISH SYSTEMS

- Ideal for new construction, renovation (resurface existing walls) or concrete leveling (lids and walls)
- Abuse resistant products: ArmourPlast, ArmourFill, ArmourTone Fine, ArmourTone Sanded, Claro HP, PlasterShield and VariSeal
- Tintable surfacers and finishes with unlimited colors
- **AR Veneer Plaster: no dust, two coats**
- **AR Drywall L3: no dust, two coats vs four**
- **AR Drywall L5 and AR Drywall L5 Ultra**
  - ✓ Eliminate steps, minimize dust, improve performance
  - ✓ Three step joint treatment with minimal sanding
  - ✓ Level 5 surfacing with one spray application – no touch, no sanding
